Time to make

Difficulty level

Pritt Craft-It is a comprehensive range of adhesives developed specifically for craft projects. Let your imagination run wild and your creative juices flow with the help of Pritt Craft-It. Have Fun!

What you will need:

Pritt products

- Glue Gun and Sticks
- Permanent Glue Roller
- Permanent Glue Dots

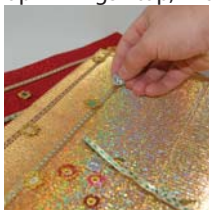

Materials

- Sheets of coloured crinkled card
- Napkin rings
- Plastic flowers on wire
- Indian woven gems
- Plain place mats
- Plastic flowers
- Ribbon

Napkin Rings

1. Cut the ribbon into lengths long enough to wrap around the napkin ring.
2. Use the permanent glue roller to stick three pieces of ribbon around each of the napkin rings - top, middle and bottom.

Place Mats

1. Heat up the glue gun and use to stick the crinkle card to the place mats.
2. Use the permanent glue roller to stick lengths of ribbon across the place mats. Remember to wrap the ribbon around the ends of the mats for a neat finish.
3. Glue the indian woven gems with the glue gun.

Wine Glass Rings

1. Bend the plastic flowers on wire into an "s" shape that will fit around the stem of your chosen wine glass.
2. Glue the indian woven gems with the glue gun until it is completely covered.

Handy Tips

- Its all about getting the lovely shape to slide around the glass and remember to trim the wisps of glue.
